

# UNITED SOVEREIGN AMERICANS

## ★ THE USA SOLUTION ★

USA has studied federal elections in 21 states and is the **FIRST** organization to **MEASURE** the current election misconduct *as defined in criminal law*.

1

The voters, votes, and counts are not accurately capturing the intent of eligible voters submitting legal votes. As much as 30% of votes are improper (CA 2022).

2

Election “integrity” solutions address singular issues and won’t secure the entire process.

3

USA has notified Red, Blue, and Purple states. They either don’t know what to do, or don’t want to do anything.

**Our elections are a constitutional and administrative disaster.**

How do we secure liberty and prosperity for future generations?

**Real voters ★ Real votes  
Real counts ★ Real proof**

USA has the solution to secure real representation and Real America.
