ST. LOUIS, MO — United Sovereign Americans (USA) is leading the charge to restore election validity. Following a powerful National Advocacy Day in February, USA is hosting its **Spring 2025 National Conference, April 4-6, 2025**, in St. Louis. The event is open to all USA volunteers and American citizens who want to secure the 2026 midterm elections and ensuring legally valid elections nationwide.

Keynote speakers for the event will be TV radio host, author, and contributor to The Gateway Pundit, **Joe Hoft**, and media personality **Ann Vandersteel**, known for her "SteelTruth" podcast.

For three days, attendees will learn how to secure legitimate representative government. USA Chair Harry Haurly and CEO Marly Hornik will present the USA Solution, a strategic, constitutional approach to holding election officials accountable and securing every control point in the election system. Participants will learn how the Constitution, laws, and triple peer-reviewed data analysis form the foundation of USA's historic efforts. You will:

- Connect with citizens nationwide working to secure liberty for future generations,
- Gain the knowledge to educate others on this critical national security issue,
- Be the inspirational team player you were born for, while saving your country, and
- Join the citizen advocacy force more powerful than money.

UNCOVERING THE TRUTH ABOUT ELECTION MISCONDUCT

USA is the first organization to **measure election misconduct as defined under criminal law** and expose the scale of election fraud across the country. Citing the Constitution, Supreme Court precedent, and the *Federal Prosecution of Election Offenses, Eighth Edition*, USA's research has revealed widespread failures in election oversight.

Despite years of law enforcement meetings, official reports, legislative hearings, and trial-ready evidence, massive election fraud continues to be illegally certified. Twenty-one Chief Election Officials have been fully briefed, nine have been sued, and every single one has failed to uphold their constitutional duty to the American people.

It's time for citizens to reclaim our right to choose our representatives. This conference will equip attendees with the knowledge and confidence to advocate for real solutions at the federal, state, and local levels.

BE PART OF THE SOLUTION

We are a movement more powerful than money—join us and make history. **Come to St. Louis, April 4-6, 2025, and be part of the solution.**
