

## Arkansas 2024 General Election Validity Scorecard

### 1. Were the voter rolls accurate, as required by the National Voter Registration Act of 1993?

| Registrations with material errors and omissions as per the Civil Rights Acts of 1964        | Number of Instances* | <b>30.6%</b><br>REGISTRATION<br>ERROR<br>RATE |
|----------------------------------------------------------------------------------------------|----------------------|-----------------------------------------------|
| Invalid addresses                                                                            | 303,936              |                                               |
| Registered at an address with more registrants than dwelling capacity                        | 132                  |                                               |
| Duplicate registrations                                                                      | 6,778                |                                               |
| Inactive and 8+ years without voting                                                         | 108,219              |                                               |
| Registered while voter rolls were closed for 2024 GE                                         | 21,553               |                                               |
| Age discrepant registrants (more than 110 yo or registered before the legally permitted age) | 42,967               |                                               |
| Federal holiday and Sunday registration (prior to online registration)                       | 121,089              |                                               |
| Invalid names                                                                                | 6,737                |                                               |
| Inactive registrations that voted recently and should be re-activated                        | 50,344               |                                               |
| <b>TOTAL REGISTRATION VIOLATIONS PROHIBITED BY LAW:</b>                                      | <b>661,755</b>       |                                               |
| <b>UNIQUE REGISTRATIONS PROHIBITED BY LAW:</b>                                               | <b>548,409</b>       |                                               |

### 2. Were the votes counted from eligible voters, as required by the US Constitution?

| Registrations with material errors and omissions whose votes were counted                    | Number of Instances* | <b>26.6%</b><br>VOTE<br>ERROR<br>RATE |
|----------------------------------------------------------------------------------------------|----------------------|---------------------------------------|
| Invalid addresses                                                                            | 189,186              |                                       |
| Registered at an address with more registrants than dwelling capacity                        | 43                   |                                       |
| Duplicate registrations—All voters                                                           | 2,513                |                                       |
| Registered while voter rolls were closed for 2024 GE                                         | 21,553               |                                       |
| Age discrepant registrants (more than 110 yo or registered before the legally permitted age) | 23,254               |                                       |
| Federal holiday and Sunday registration (prior to online registration)                       | 96,804               |                                       |
| Invalid names                                                                                | 4,088                |                                       |
| Inactive registrations that voted recently and should be re-activated                        | 1,988                |                                       |
| <b>TOTAL VOTING VIOLATIONS PROHIBITED BY LAW:</b>                                            | <b>339,429</b>       |                                       |
| <b>UNIQUE VOTES PROHIBITED BY LAW:</b>                                                       | <b>314,186</b>       |                                       |

### 3. Was the number of votes counted equal to the number of voters who voted?

| Official Source                                                        | Reported Total by Official Source |
|------------------------------------------------------------------------|-----------------------------------|
| Arkansas DOE official results of 2024 GE—Votes counted                 | 1,182,676                         |
| Arkansas Dec-2025 raw data, Official Federal document—Voters who Voted | 1,177,619                         |
| <b>DIFFERENCE (MORE votes counted than voters who voted):</b>          | <b>5,057</b>                      |

### 4. Was the number of ballots in error valid according to the Help America Vote Act of 2002?

|                                                                                                             |                |
|-------------------------------------------------------------------------------------------------------------|----------------|
| Total ballots counted in error in the 2024 GE                                                               | 314,186        |
| Allowable machine error rate is 1/10,000,000 ballot positions or 1/125,000 ballots                          | 9              |
| <b>Total excess ballots counted in error: Provable accuracy fails to meet any protective legal standard</b> | <b>314,177</b> |
