Provable accuracy fails to meet any protective legal standard	Unresolved vote errors: 100,672

"Congress seeks. . . to guard the election of members of Congress against any possible unfairness by compelling, under its pains and penalties, everyone concerned in holding the election to a strict and scrupulous observance of every duty devolved upon him while so engaged. . . . The evil intent consists in disobedience to the law." —In re Coy, 127 U.S. 731 (1888)
