Vote Tampering Report

Changes to voter participation histories AFTER election certification

The counts below reflect the number of changes made to individual voter history records after an election was certified. The top data set in each election chart includes changes to vote participation history for voter records that exist in both voter record copies being compared. The second data set in each election chart includes the additions or deletions of entire voter profiles and their associated voting participation histories for that election. Each instance documents modifications made to official federal records after the final certification of the election.
