

New York Medium Resolution Vote Tampering Report

Changes to voter participation histories AFTER election certification

The counts below reflect the number of changes made to individual voter history records after an election was certified. The data in the first two columns includes changes to vote participation history for voter records that exist in both voter record copies being compared. The data in the third and fourth columns includes the deletions or additions of entire voter profiles and their associated voting participation histories for that election. Each instance documents modifications made to public copies of official federal records after the final certification of the election.
